TENCEL™ branded lyocell is an eco-friendly fibre, well known for it’s naturally silky smooth and cooling hand feel, as well as its highly breathable and temperature regulating properties. This makes TENCEL™ an increasingly popular choice of silky bed sheets in Singapore. Discover our best selling bed sheets - The TENCEL™ fibre Lyocell sheets, which offers the perfect balance of softness and smoothness, durability and breathability to create a hotel like luxury sleeping experience. Lyocell stands out as an extremely breathable, temperature regulating and absorbent fabric. Lyocell fibres can wick excess moisture away quickly, keeping the body cool during sleep in a wide variety of climates, making it perfect for Singapore’s humid nights. TENCEL™ fibres are one of the best bed sheet materials to make cooling bed sheets. With our TENCEL™ fibre lyocell sheets, you can be sure to stay cool throughout and have less worries over night sweats disrupting your sleep.Thanks to the natural structure of the TENCEL™ lyocell fibre, lyocell is most well known for how it feels - exceptionally luxuriously soft on the skin. With a silky hand feel, our TENCEL™ fibre lyocell sheets are more gentle than regular cotton bed sheets or linen sheets, thus making it beneficial for babies, and those with sensitive skin or allergies. As a naturally derived fibre, TENCEL™ lyocell is also hypoallergenic. Soft as a cloud, light and breezy – our TENCEL™ fibre lyocell bed sheets offers an incredibly cooling and luxurious sleep experience. No need to feel stressed about odour or bacteria ever again. TENCEL™ Lyocell fibres have perfect moisture management which reduces bacteria proliferation without the need for any chemical additives. Furthermore, our TENCEL™ fibre lyocell sheets are Oeko-Tex® certified, which means no harmful chemicals are used during the production process of our silky bed sheets. Rest easy knowing that Weavve’s TENCEL™ fibre lyocell sheets are made from certified fabric that are kind to your skin and health.AUTHENTIC FIBRES OF BOTANIC ORIGINSTENCEL™ lyocell is made from 100% sustainably sourced eucalyptus wood. The water and more than 99% of the chemicals used in the manufacturing process are recycled in a closed loop process. Not all TENCEL™ fibre lyocell bed sheets are made the same – Each Weavve TENCEL™ fibre lyocell bed sheets starts with the best 100% TENCEL™ Lyocell fibres from Lenzing that are spun into the finest 80s yarn count threads. These fine single ply threads are then woven into 400 thread count fabric, resulting in stronger, smoother, lighter bed sheets. Enjoy luxury sleep with our soft and comfortable silky bed sheets.
