ACLS 1

**ACLS Study Guide**

**PLEASE STUDY FOR THE CLASS.** This guide will assist your preparation for the class. The ACLS Student Manual is the best resource and can be accessed in the classroom, online, and from home.

**1) CLASS INTRODUCTION**

ACLS is a course that is designed to provide healthcare providers with the skills and knowledge necessary to manage cardiac arrest and other life-threatening emergencies. The course is designed to be completed over a 2-day period.

**2) BLS SURVEY**

A) CAB (Compressions, Airway, Breathing)

B) Sequence: 1. Check the scene to make sure it is safe. Don't get hurt trying to help.  
2. Check the patient for responsiveness and breathing.  
3. Activate the Emergency Response System/ Get a Defibrillator.  
4. Check for a Carotid Pulse (no more than 10 secs, no less than 5 secs).  
5. Begin CPR (start with Compressions).

C) Compressions: 1. At a rate between 100 and 120/min and 2 inches deep.  
2. 30:2 ratio of compressions to breaths.  
3. Compress the center of the chest (lower half of the sternum).

ACLS 2

**AHA ACLS Written Test** 47 items by choice

▶ Practice mode!

▶ You did an impression of who is not breathing. After activating the emergency response system, you determine there is no pulse. What is your next action?  
▶ You are performing CPR on a patient with chest pain. The ECG shows a heart rate of 120/min and a chest rate of 100/min. What is the next step?  
▶ What is the preferred method of airway for an unconscious patient who has a normal airway?  
▶ An AED does not properly analyze a victim. What is your next step?  
▶ You have completed 2 min of CPR. The ECG monitor displays the text below. What is your next action?  
▶ What is the most common cause of death in cardiac arrest?  
▶ What is the most common cause of death in cardiac arrest?  
▶ What is the most common cause of death in cardiac arrest?

## Pharmacy Post

Summer 2013

LOOKING FORWARD FOR PHARMACY

OFFICIAL PUBLICATION OF THE WYOMING PHARMACY ASSOCIATION

**188 Powell Street**

**Green River, WY 82635**

**307-272-3364**

**www.wpha.net**

**WHY WPhA?**

Wyoming became the thirty-first state to recognize pharmacy as a profession when the legislature created the Commissions of Pharmacy in 1900. This later became known as the Wyoming State Board of Pharmacy in 1903. Along with the inception of the regulatory agencies, came the association to represent the profession. The Wyoming Pharmacy Association was founded in 1915 with Dr. F. C. Hultman of Wheatland as the first president. The organization was originally founded as the Wyoming Pharmaceutical Association. It was later changed to the name today, Wyoming Pharmacy Association in 2005. The association was founded on the belief of advancing and promoting the practice and profession of pharmacy. It has now just been modified to include not only pharmacists, but also technicians.

The goal of the organization is to ensure that pharmacists and technicians in Wyoming will be recognized as caring and competent individuals who improve the use of medications, assure the safety of drug therapy, and enhance health-related quality of life. Becoming a member of the association means that your voice is being heard on a state and national level. WPhA provides representation at the State Board of Pharmacy meetings, during legislative sessions and nationally through the National Alliance of State Pharmacy Associations. Through your membership in the Association, you will meet a remarkable community of pharmacy professionals who have similar goals and concerns and are willing to share their expertise with you.

The Association partners with the Wyoming Society for Health System Pharmacy to provide an annual convention. This year's 98th Annual Convention will be held at the Holiday Inn Laramie. For more information, see pages 8-9 of this publication.

Membership Benefits include:

- Professional development opportunities
- Promotion of the pharmacy profession that is integral to the health care system
- Quality continuing education programs
- Discounts on education programs and hotel accommodations
- The quarterly Pharmacy Post newsletter
- Weekly emails regarding current issues facing pharmacy
- Employment opportunities through our Career Center
- Legislative and regulatory representation at the state and federal level, and
- An opportunity to directly voice your opinion regarding legislative issues.
